PROFILE

As an enthusiastic and motivated individual , I am eager to start my career as a frontend developer. I am passionate about creating visually appealing and user-centric web experiences. With a strong commitment to learning and growing in the field , I am excited to contribute to dynamic projects.

EDUCATION

Degree:

B.E- Computer Science and Engineering.

(2021-2025)

at A.V.C College of Enginnering,

Mayiladuthurai.

Secondary Education:

92% in 12^{th}(HSC),

81% in 11^{th}(HSCC),

92% in 10^{th}(SSLC).

PROJECTS

Weather App:

Designed and implemented a responsive UI to display real-time weather data, integrated with a weather API to fetch and display accurate meterological information.

Created similar frontend websites and I used GitHub to deploy my websites.
